

Elaine Lloyd

I am married with 3 grown up children and 2 grandchildren. My family moved to Highworth in 1984.

My eldest daughter joined the club as a 5 year old in 1986 and I joined the committee later that year. My twins joined the club in 1987. As I was at club nights just watching, I gradually got involved by helping on poolside. At first by undertaking the RLSS rescue test (the lifeguard standard back then) and then in the teaching side by helping to cover classes when teachers were not available. In 2000 I achieved the ASA level 2 teacher qualification. Over the years I held a number of positions on the committee, Membership Secretary, Chairman and I am currently Vice Chairman.

My granddaughter has recently joined the club and her mum, my daughter Sarah has started to work alongside me working on her level 1 qualification.
